DIRECTIONS

- Print page 2 on cardstock and fold in half. Write each child's name on their pocket. Cut out the center of the heart.
- Laminate: Fold page 2 in half and then open it back up and laminate it. (OR: Tape a 1/4 sheet of transparency on the back of the heart.)
- Fold page 2 in half and tape the sides together. You should have a pocket/envelope with a see-thru heart. Staple each child's pocket next to your Memory Verses Posterboard or Bulletin Board.
- Print and cut out each Bible verse for each child for the Quarter you are teaching. (If you wish to use a different verse that what I have, use the blank Bible and write the verse on the back).
- Whenever a child can say their memory verse alone without help, they are rewarded with a Bible to put in their heart pocket. Allow children to take these home at the end of the quarter.

descendants as the stars of
heaven...

the heavens and the earth.

You meant evil against me,
but God meant it for good...
