### SUPPLIES NEEDED

For each child you will need the following:

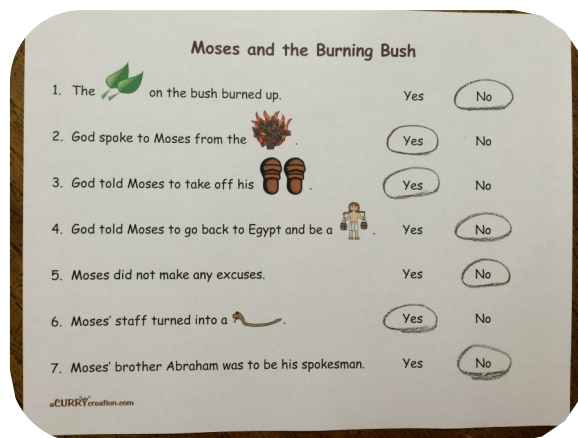

- 1 Sheet of Cardstock (8.5" x 11")  
<http://amzn.com/B006P1EQIA>
  - 1 Sheet of regular printer paper (8.5" x 11")
- Red and Yellow Tissue Paper
- Scissors and Glue

### DIRECTIONS

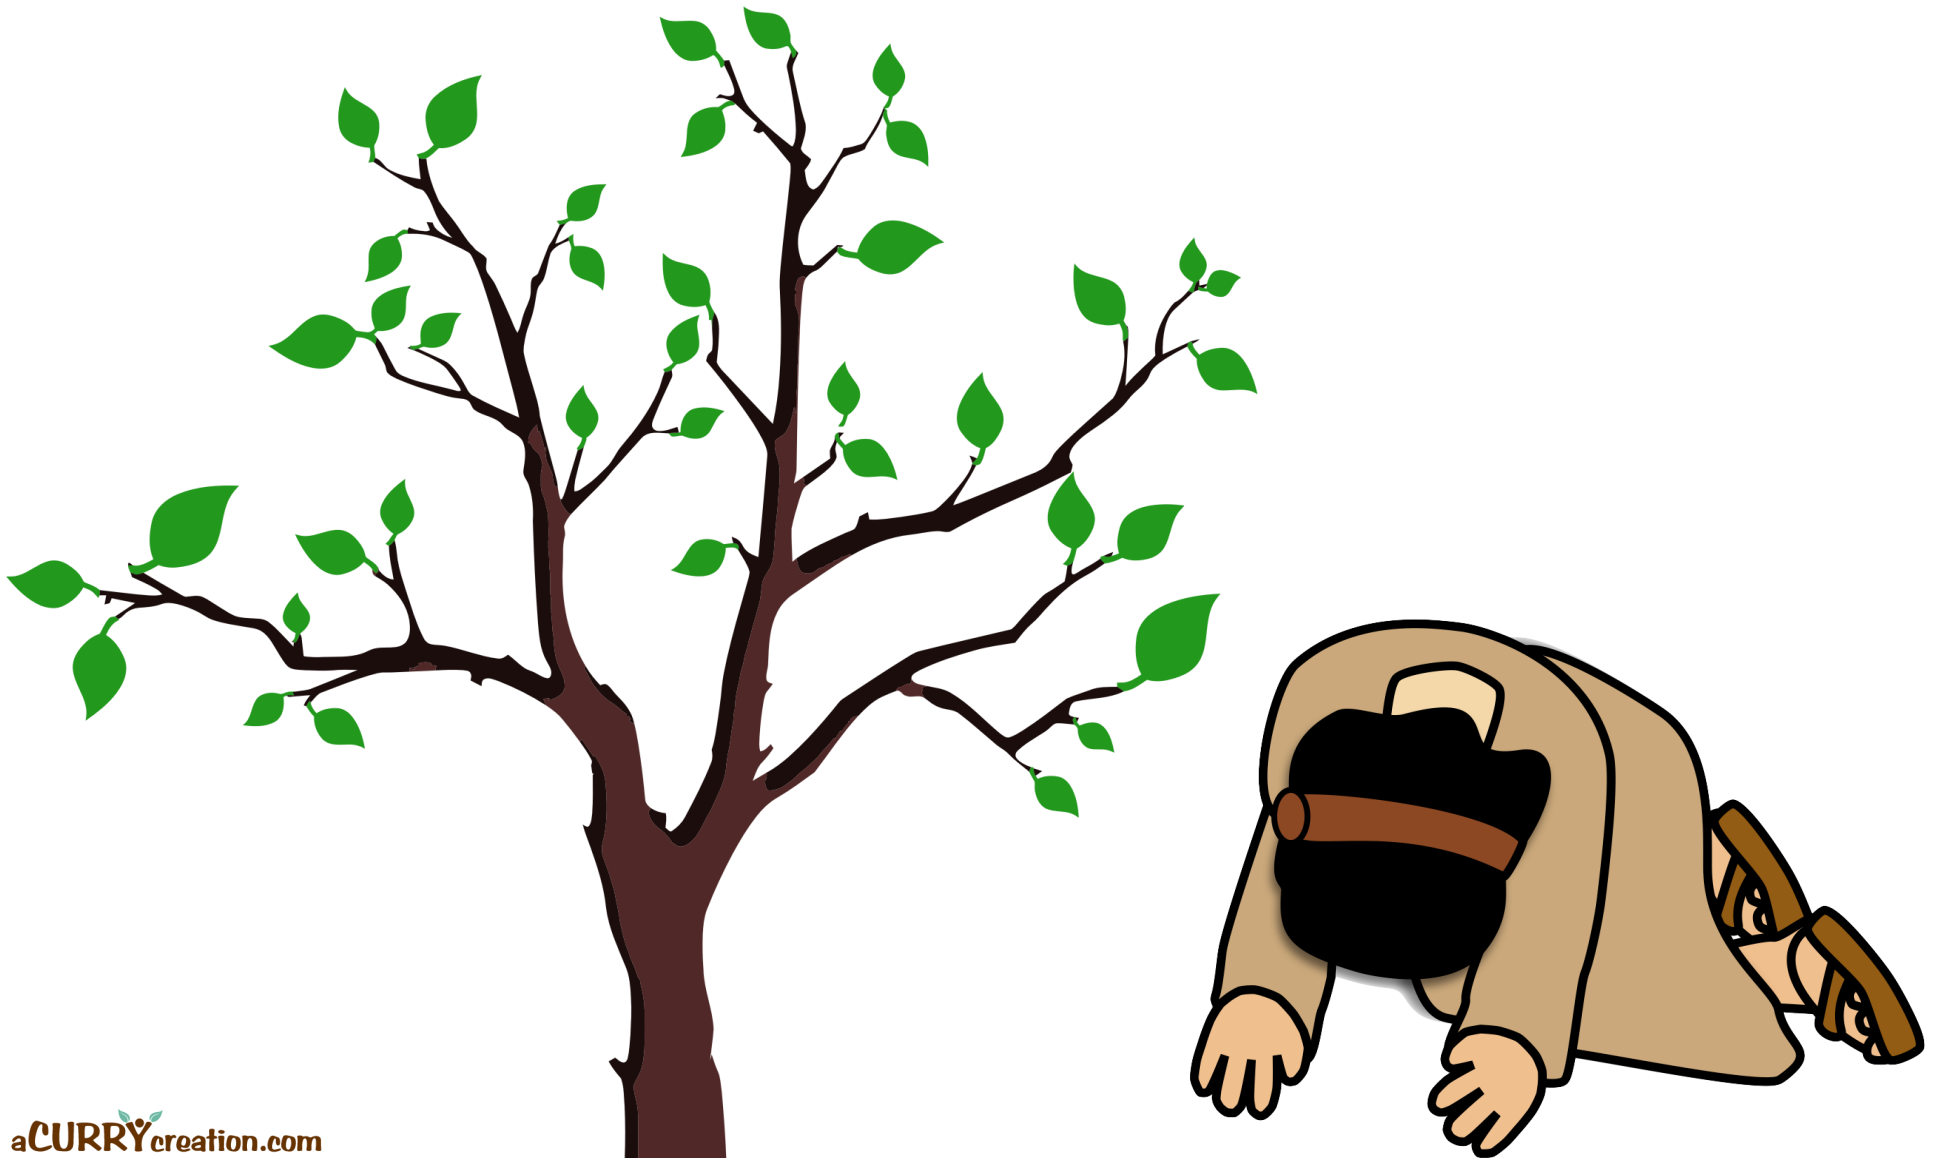

- Print page 2 on cardstock for each child.
- To save time during class, precut the red and yellow tissue paper into 1 to 2 inch squares (about 6 of each color per child).
- During class, let children glue the tissue squares onto the bush.
- Print page 3 on regular printer paper. Read the questions to the children and have them circle yes or no.

### TIPS

- Regular glue works better than glue sticks for this. Avoid a gluey mess by putting dots of glue on the bush for each child and letting them add the tissue paper.
