SUPPLIES NEEDED

You will need the following:

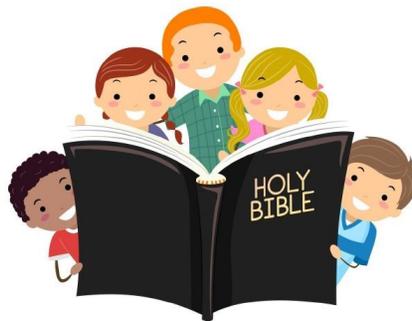

- 9 Sheets of Cardstock (8.5" x 11")
- 9 3 mil Laminating Film
- Binding coil and machine

DIRECTIONS

- Print pages 2-10 on cardstock paper.
- Laminate each page and bind them together along the top.
- Read this to your toddlers in class to teach them how special the Bible is and to treat it with care.
- *Note: I recreated some older story boards for an elder's wife. She did not know who wrote the original rhymes, so I am offering this for free since it is not mine originally.*

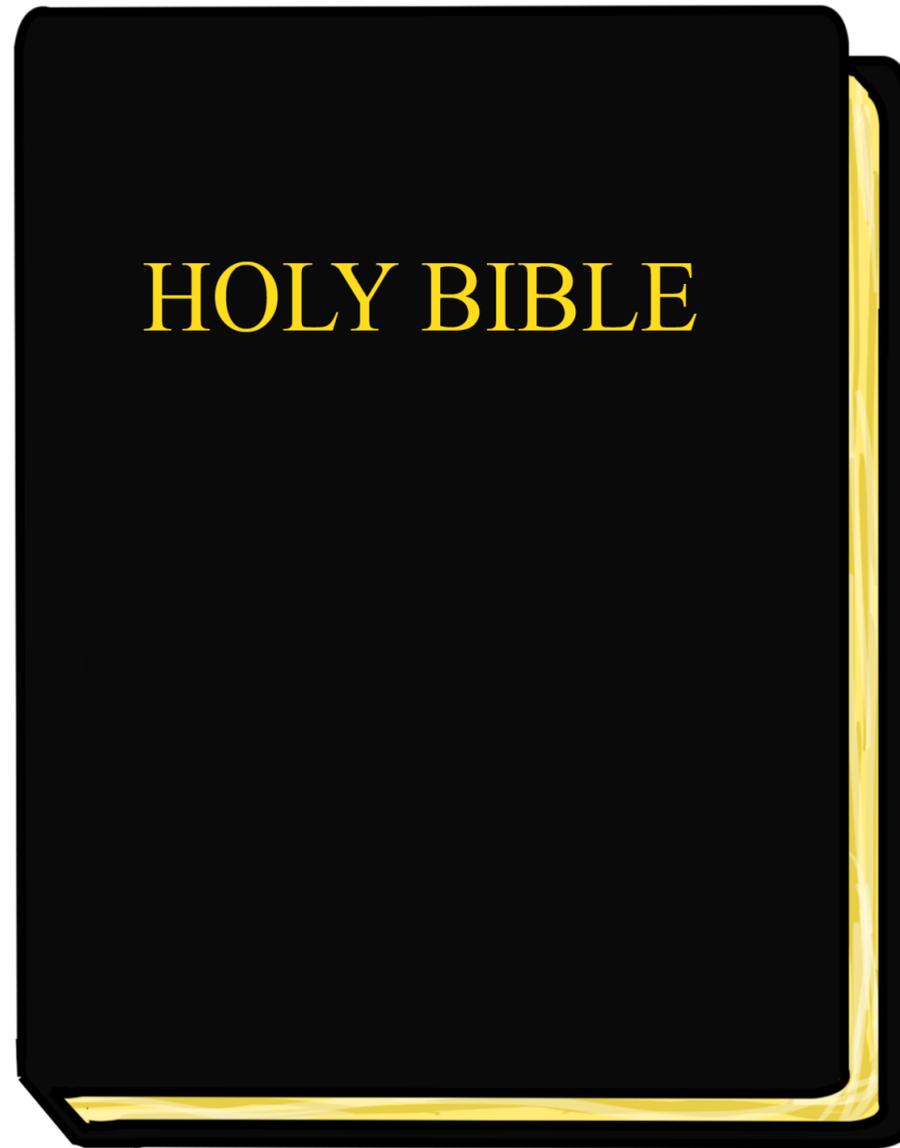

This is my Bible, it's plain to see.

It's God's Word for you and me.

My Bible

This is my Bible, it's plain to see.

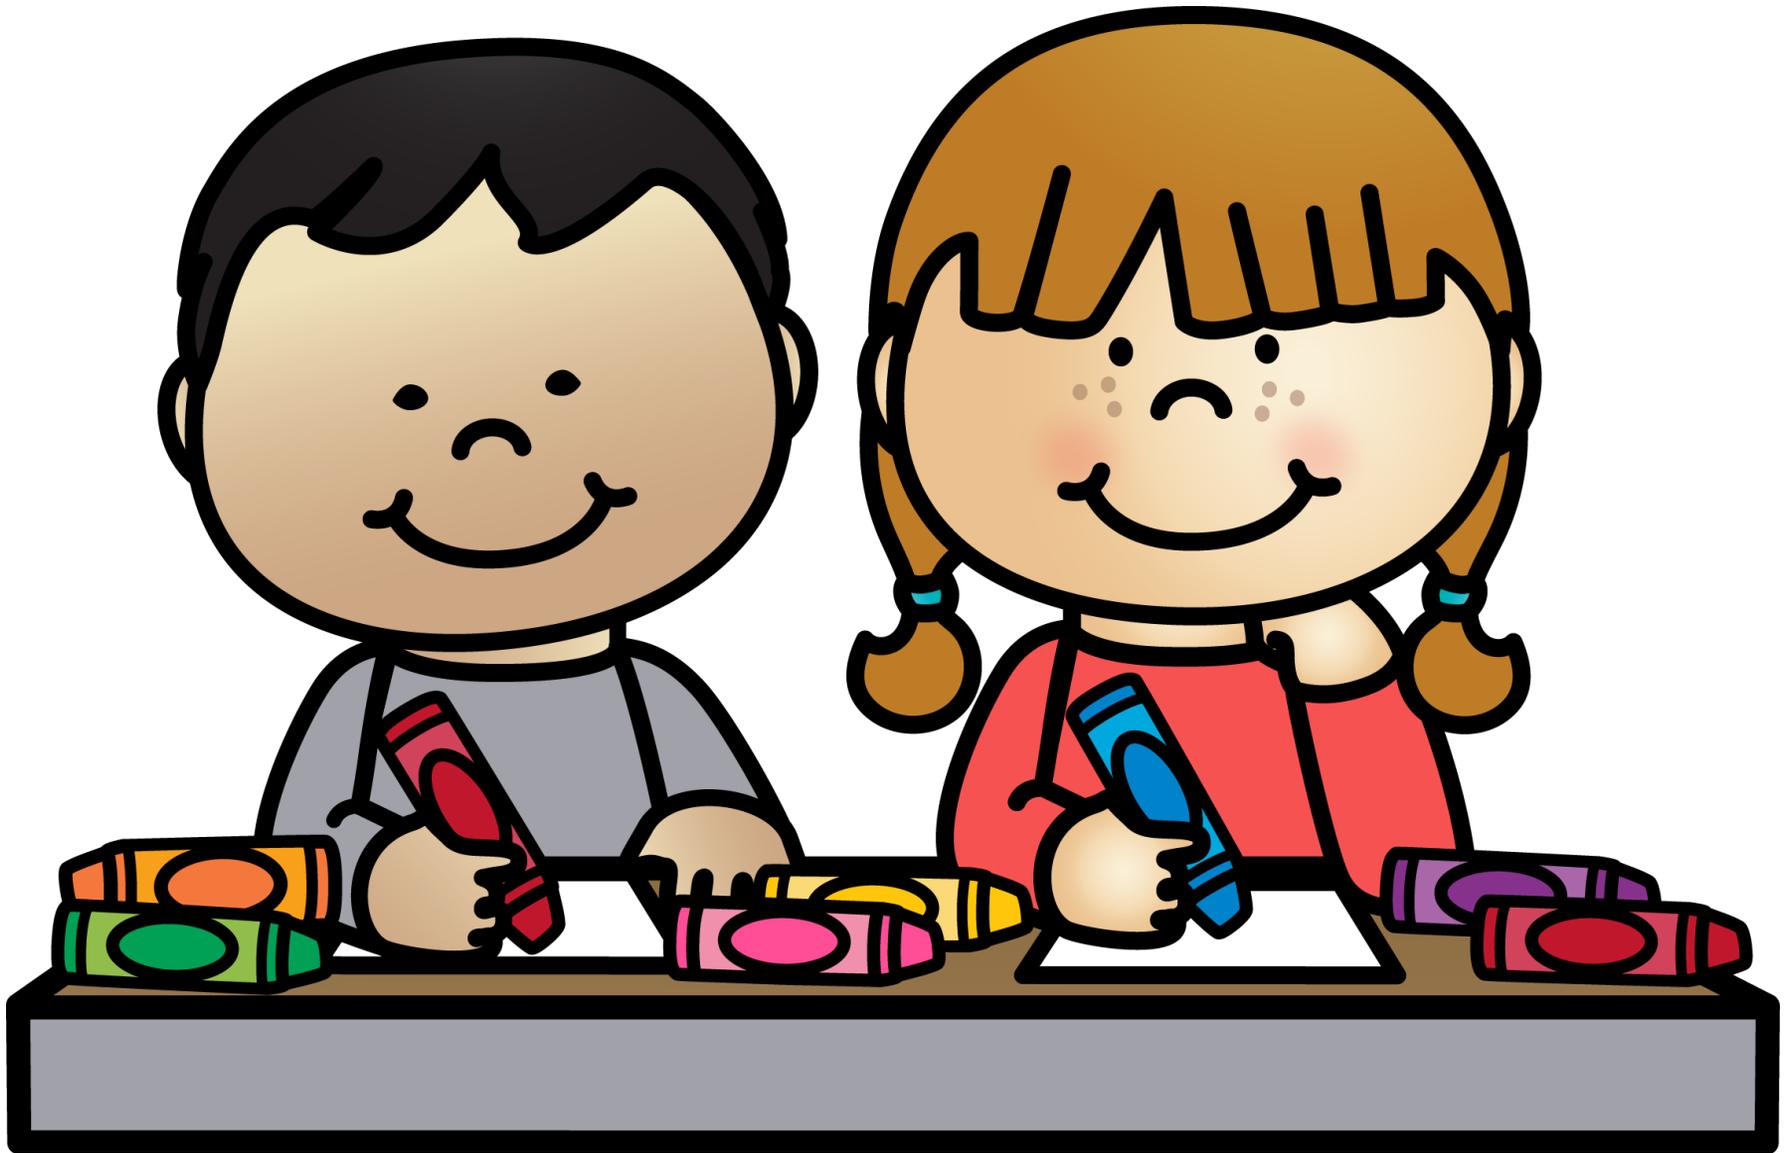

It's God's Word for you and me.

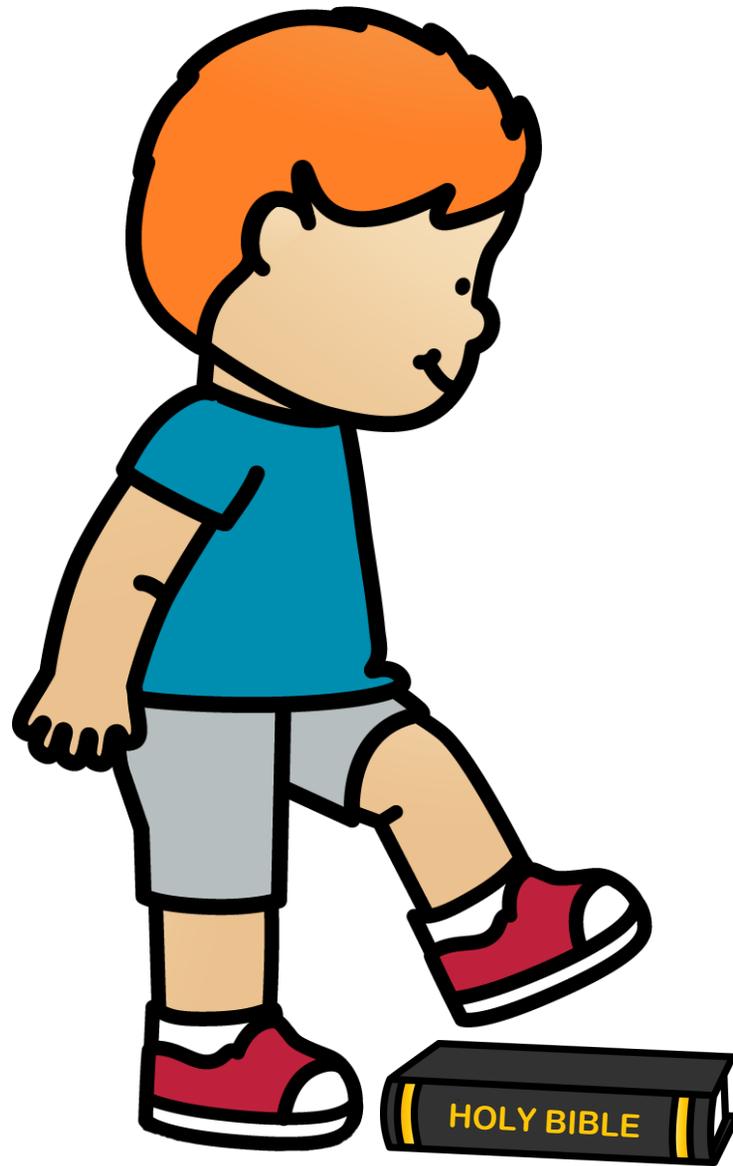

It's not a flower that you leave on the ground.

It's not a ball that you bounce around.

It's not pages that you can color.

It's not a stool that makes you taller.

It's not a toy like my teddy bear.

It's God's Word and I handle it with care.
