

Old Testament Timeline

SUPPLIES NEEDED

For each child you will need the following:

- 4 Sheets of Cardstock (8.5" x 11")
<http://amzn.com/B006P1EQIA>
- 4 5 mil Laminating Film
<http://amazon.com/dp/B009SOVRYM>
- 2 Pocket Charts (14" x 17")
<http://amazon.com/dp/B004DJ1CFQ>

DIRECTIONS

- Print pages 2-9 two-sided on cardstock paper.
- Laminate and cut out the pictures.
- Add a picture to the Timeline after you study the story in class. You can also take all the pictures out and have the students take turns trying to put the pictures in the correct order, or take out some and have students "fill in" what's missing.

TIPS

- Because these will be used repeatedly during class, I recommend laminating with the thicker 5 mil.
- If you don't wish to buy the Pocket Charts, you can always use Velcro dots to attach these to a posterboard.
- You can also use this for Elementary students as a review but I would not print the answers on the back of the pictures (to make it harder).
